

ALUMNI NIGHT

THURS MARCH 22, 5:30–7:30PM, CG 122

These recent EDM Alumni are coming to **share their experiences** about life after school: **career strategy**, how they got their current jobs and what they learned along the way. **DON'T MISS** this opportunity to **meet them & hear their stories**: what happened after they graduated!

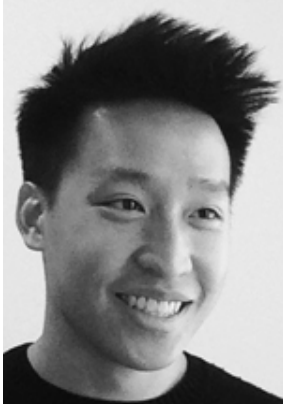

AALIA ALI-OLSHANSKY
Video Editor

Aalia graduated from EDM in 2010 with a BFA and a second major in Jewish Studies. Previously Lead Assistant Editor at Show of Force (a documentary film company), Aalia now works as a freelance video editor. Her current clients include The New York Times, PBS, and MAC Cosmetics. She is also one half of The Compound

Eye, an independently owned post-production company.

CHRISTIAN ESCALA
Interactive Designer
NBC Sports Group

I graduated from EDM in 2016. Before my job at NBC, I worked with clients such as The Metropolitan Museum of Art, NBCUniversal, NYC Health and Hospitals, The City University of New York, and others. I am currently pursuing a Master of Science in User Experience Design at Pratt Institute.

JEFFREY LOUIE
Designer and Illustrator

Jeff graduated with a BFA in EDM in 2014. He has worked on branding and identity systems for a range of clients including Bergdorf Goodman, Virgin Cruises, PepsiCo, and J.Crew. Jeff has also collaborated on a number of print and typographic projects with nonprofits including the Museum of Chinese in America and The Center for Urban Pedagogy.

MONIQUE NAOUM
UI/UX Product Designer
Vistar Media

I graduated with a BFA in EDM in 2012. After CCNY, I received a masters (MPS) in Interactive Telecommunications from NYU. I am currently a Lead Product Designer in an ad tech company. I've created interactive digital installations, designed jewelry, designed applications and coded websites.

CASTRO DESROCHES
Art Director, Droga5

Castro Desroches graduated with a BA in EDM in 2011 and an MPS (Masters of Professional Studies) in Branding and Integrated Communications from CCNY in 2016. He is an Art Director at Droga5, a NYC advertising agency that works across many platforms including print, digital, social and experiential communications. Over the past years he has created work for brands like Google, Under Armour, and Prudential.

RICH PRIOR
Web and Graphic Designer

Rich Prior graduated with a BFA in Electronic Design & Multimedia in 2016. He is an award-winning freelance web and graphic designer who works with a range of clients including design studios, tech startups, small businesses and large corporations on projects involving websites, UI/UX design, branding, mobile apps and/or marketing collateral.
